

# SPQT2024

## Santa Margherita di Pula (Sardinia), 2-8 June 2024

### Newsletter #6

---

May 20, 2024

Dear All,

This is to update you on some SPQT-related matters; in particular this will concern practical aspects, some of them last minute. The previous newsletters, containing information also on practical matters, are available on our website [www.sptspt.it/SPT2024/SPQT2024.html](http://www.sptspt.it/SPT2024/SPQT2024.html)

#### A. TRANSFERS

1. Those having requested a transfer (to us) have been contacted with detail. We are not dealing with transfers being requested directly to the Hotel.
2. From now on, we will not accept further requests for handling transfers; please refer directly to the hotel for help with transfer.
3. You can as well get a taxi at the airport; prices should be consistent with those offered and published on our newsletter, but you might have to wait (especially on Sunday) and/or get a less comfortable car.
4. **Public transportation** (<https://www.arst.sardegna.it/>) is also available; see in particular <https://app.arstspa.it/quadri/129.html> (beware of different schedules on Sundays). Note you are aiming at Santa Margherita di Pula, *not* at Pula (which is in the interior). If you intend to use public buses and land in Cagliari airport, please first proceed to Cagliari city center by train (frequent service, about 10 minutes travel time) and then get a bus (#129, see schedule above). The stop you should use is at km. 33,800 just in front of the church of "Santa Margherita di Boeria"; the bus driver will tell you where to descend if you mention you need the stop for Hotel Flamingo (or the nearby Camping Flumendosa). From the bus stop, walk towards the sea (South) on via Flumendosa for a few hundred meters.
5. Transfers to the airport on Saturday 8 will be dealt with at the conference.

#### B. CHECK IN

6. Even if you stay at Mare Pineta, please report to Flamingo for check in.
7. We will gather on the beach of the Hotel for an informal get-together at 19:00 on Sunday June 2.

### **C. BEACH SERVICE etc**

8. The Hotel will provide beach chairs for free; beach bed are to be paid. Access to the hotel beach is free (of course) for hotel customers and there is a free beach nearby.

### **D. TALKS**

9. The **Titles & Abstract** file is now final; it can be read on our web site. You will get a copy of it upon registration, so no need to print it.
10. A **tentative program** is now also posted on our web site.

### **E. LAST MINUTE PROBLEMS**

11. Should some last minute problem arise in the few days before the conference, please contact the organizers by mail, writing to the three addresses (some of us will not be reachable in some days before the conference)
12. For what concerns the transfer, you will receive a phone number to be contacted in case of problems - including flight delays or difficulties in meeting with the drivers at the airport.
13. We suggest anyway to take along the phone number of the reception desk at the hotel, to be contacted in case of problems: **+39 070 9208361**

Looking forward to meeting you in Pula

Giuseppe Gaeta, Massimo Moscolari, Gianluca Panati
